A little about OAHCR: Visit our website at www.oahcr.com !

OAHCR is a statewide organization of professionals who have joined together to:

- 1) promote and exchange sound and ethical principles and values of recruitment
- 2) network/share pertinent information on recruitment and retention of healthcare professionals

OAHCR had its beginning in the Spring of 1978. A group of Nurse Recruiters in Oklahoma City and Tulsa areas met to discuss mutual concerns and share information. They found the meeting beneficial to all. These Recruiters encouraged others to join this organization and contribute their expertise.

This group has now become the Oklahoma Association of Healthcare Recruitment, reflecting the varied fields of recruitment in today's healthcare environment.

OAHCR is recognized chapter of NAHCR – the National Association of Healthcare Recruitment. Many members of OAHCR have found an association / membership with NAHCR to be very beneficial in their recruitment/retention efforts.

Fiscal year is July to July, and is conferred on an institutional basis, unless the candidate pays the dues personally.

Dues are \$40.00 per year; **checks are made out to OAHCR** and forwarded to the Treasurer. Become a valued member of OAHCR today!
